

Safety Standards for Employees

All employees will be Evaluated when entering the building

- Temperature reading will be done on all employees entering the building daily.
- All staff members will be required to wash hands when entering the building daily and between all clients
- No staff members will be allowed to hang out in break room with other employees socializing. If several of the staff is in the break room please try to respect the 6 feet social distancing. Due to the executive order made by the governor of Georgia.
- Breaks will be encouraged to do so outside or in your personal vehicle.
- Enhancing Sanitation will be required prior to your work day and between each client in the salon
- We will have shifted scheduling for staff to meet the guidelines of 10 or less in gathering or at work.
- Mask & gloves will be provided to you daily until further notice your welcome to bring your own mask if your feel more comfortable
- If a team member is sick or displaying symptoms they will stay home or be sent home to take care of themselves and the environment.
- We wipe down our credit card terminals, seats, stations, treatment tables, door handles, menus, phones, and any area that comes into regular contact every 15 minutes (set time at your discretion and based on number of people allowed in your business as mandated by local authorities)
- We will be open for longer hours from (put times in) to accommodate the amount of people allowed in the business at any given time.

Halo Guidelines

- Each team member has passed a Health & Sanitation Test with a score of 100% in order to work with you and provide you the service you expect from us.
- All products that you purchase have been cleaned and sanitized prior to your purchase to ensure your safety.
- Bathrooms need to be cleaned every 15 minutes doorknobs, toilet handle & sinks
- Door handles should be cleaned every 15 minutes
- Front desk keyboard should be cleaned before and after each use along with CC machines if used by everyone in the salon
- Avoid touching debit cards or CC's, avoid cash if possible
- Sanitize your personal phone if you are having a client touch it to pay for service
